#### Description

Luxurious and seaworthy bluewater cruiser built in France fully equipped for circumnavigation. Her proven concept, the high standard of boatbuilding in the shipyard and the focus on safety, reliability and comfort make AMEL sailing yachts legendary vessels for long distance cruising and you meet them in the most remote areas of the world. Very rigid, torsion-free construction using vinylester resins with laminated bulkheads. Deep, well-protected cockpit with fixed doghouse above the helm station. Bright and modern interior with plenty of light and air below decks through numerous large hull ports and coachhouse windows, eight deck hatches and seven portholes. The AMEL 50 was elected "European Yacht of the Year 2018" in the category luxury cruiser. Owner's yacht with extensive equipment for worldwide cruising, sold by her first owner.

Comprehensive specification incl. 8 KW diesel generator, watermaker, air conditioning and diesel heating, washer-dryer, electric winches, electric davits including dinghy, etc. Thanks to the electric genoa furling system, self-tacking jib, and electric furling mainsail with electric outhaul, this AMEL 50 is suitable for single-handed sailing. A special feature of this AMEL 50 is the carbon fibre furling mast. Complete navigation electronics with plotter, radar, autopilot, AIS, and satellite phone. Modern, exclusive interior in satin-varnished oak with white upholstered panels, bright laminated floorboards, and numerous leather applications. The ...
