<b>VAT status</b>	excl. VAT
<b>Material</b>	GRP
<b>Rig</b>	Sloop
<b>Cabins</b>	6
<b>Berths</b>	14

## Dimensions & Material

<b>LOA</b>	14.75 m
<b>Beam</b>	8.10 m
<b>Draft</b>	1.40 m
<b>Displacement</b>	20 t
<b>Sail area</b>	144 m <sup>2</sup>
<b>Engine</b>	2 x YANMAR 4JH80
<b>Power</b>	2 x 80 PS/59 KW
<b>Drive</b>	Saildrive
<b>Fresh water</b>	480 L
<b>Fuel</b>	1.040 L
<b>Holding tank</b>	240 L

## Key Facts

- Diesel generator 11 kVA.
- Interior in Alpi walnut.
- Six-cabin layout.
- Four heads.
- Ample living space on and below deck.
- Engine upgrade 2 x YANMAR 80 hp.
- Watermaker 120 l/h.
- Air conditioning.

## Description

The Lagoon 50 marks a real coup of the world market leader for cruising catamarans: The innovative concept by VPLP Yacht Design, the friendly, bright interior by Nauta Yachts, and the yard's decades of experience made the new model a major success when it was introduced in 2018. The model not only received several international awards but quickly became a bestseller. The mast positioned far aft allows for a large self-tacking jib, and the shorter boom simplifies handling of the mainsail, making the catamaran easy to maneuver. The fully covered cockpit, the exceptionally spacious flybridge, and the comfortable seating area in front of the deckhouse create separate islands for a large number of passengers. By offering various layouts the Lagoon 50's spacious, comfortable interior could be adapted to the individual owner's programme. Many yachts went into charter management. The simplified access to the aft platforms via low steps makes the catamaran the perfect swimming island at anchor in a bay. The friendly, light-flooded deckhouse with unobstructed 360° panoramic views and the large volume of the two hulls provide ample comfort and living space below decks. This is a young Lagoon 50 from charter service for sale. She was only chartered with a skipper. The interior is finished in Alpi walnut with six cabins, featuring a customised layout with four generously sized heads. This Lagoon 50 is powered by upgraded YANMAR 80 hp engines and fitted with a powerful ONAN 11 kVA ...

## Rig/Sails

- Deck-stepped, 7/8 fractional SPARCRAFT aluminium mast
- Two sets of aft-swept spreaders
- FACNOR headsail furling system
- Deck spotlight
- Full batten mainsail INCIDENCES Dacron (six battens) approx. 89 m<sup>2</sup> with two reefs
- Track and car system for mainsail
- Lazy bag and lazy jacks
- Self-tacking jib INCIDENCES approx. 55 m<sup>2</sup> (new 2025) with UV-protection

## Deck
